MEMORANDUM FOR: Director of Training and Education
VIA: Deputy Director for Administration
FROM: John M. Ray
Director of Logistics
SUBJECT: Space Availability in the Chamber of Commerce Building
REFERENCE: Memo for D/OL, fm D/OTE, dtd 21 Nov 88, Same Subject

The Office of Personnel has not yet made a firm commitment to move its Office of Equal Employment Opportunity from the Chamber of Commerce Building to the Headquarters Compound. Consequently, we are not in a position to promise the Office of Training and Education this space at this time. Should the move take place, you certainly would be a logical successor tenant.
